To everyone at SEGTO,

We can't say thank you enough

Thank you so much for your very kind donation of £900.00 to Macmillan Cancer Support. We are sorry to hear about your group closing down, but we are so grateful that you have chosen to support Macmillan at this time. Your generosity and support will allow us to help everyone with cancer live life as fully as they can.

To give you a little extra perspective into how this kind donation could help; £810 could help run a small Macmillan Welfare Benefits Advice service for a week, providing people living with cancer with easy-to-understand, impartial advice on claiming the financial support they're entitled to. This is an incredible contribution to Macmillan which will make a real difference to people living with cancer. Please pass on our thanks to everyone who donated.

How you're helping

At Macmillan, we understand that cancer can impact a person's whole life – health, money, family, work; everything. We can help people with managing symptoms and offer advice and benefits for things like keeping the cost of heating down during treatment. We can also provide training for employers to support people back to work. With your support, people get the energy and inspiration to feel more like themselves.

To show our appreciation of your generosity, please find enclosed a certificate of your donation.

Thank you once again for being a part of Team Macmillan.

With best wishes,

R Chen
