Flag Signals and Race Procedure.

1. Drivers will be informed at drivers briefing if host club use any other flags.
2. **Green** flag or lights will be used to start racing under the direction of the Clerk of the Course.
3. **Red** flag or red lights displayed by marshal or course official means that all competitors must stop in a safe manner and remain stopped until directed to move by a course official.
4. **Yellow** Caution. This flag is used when an accident or unsafe condition exists on the track. No overtaking on waved or stationary yellow flag until after the incident.
5. **Blue** flag directed at a specific driver means that said driver is about to be lapped and they must hold their line.
6. **Black Cross** means that the offending driver may continue racing and will be docked at least one place and must report to the Clerk of the Course when race is finished.
7. **Black** flag accompanied by a number board directed at a specific driver indicates that said driver has been observed to have committed an offence, or have mechanical problems. The offending driver must pull off safely into the inner area of the course and report to the Clerk of the Course. If the same driver incurs the display of the black flag a second time during the meeting they will immediately retire from the race and may incur disciplinary action against them.
8. **Rolled Black** flag is a warning, you are being watched.
9. Any racecar with loose or missing panels will be shown the black flag.
10. Black flags will be totted up i.e.: drivers receiving two black flags (for misconduct) at SEGTO Championship rounds will receive a letter reminding them if they receive a third they will be banned from the next meeting.
11. **Black and White Chequered** Flag indicate the end of race.
12. The decision of the Clerk of the Course is final.
13. Trial by video will not be permitted.
14. Racing vehicles must finish heats and final under own engine power.
15. If a heat or final has to be stopped for any reason howsoever caused by a set of circumstances caused by driver or drivers then the said driver or drivers deemed to have been the cause of the stoppage will not be allowed to start the re-run or re-start, this is at the discretion of the Clerk of the Course.
16. If a heat or final has progressed over half its total distance when it is stopped for any reason, then the resulting order of cars at the time will be deemed to be the finishing order and the race will be completed.
17. All re-starts will be in grid order and run over full race distance later in the meeting, consisting only of the cars that were still running at the time the race was stopped, this is at the discretion of the Clerk of the Course.
18. If a race is stopped for any reason and is to be restarted, a competitor may not leave the track to carry out or affect repairs until the race has finished.
19. No outside assistance is permitted.
20. All penalties awarded to drivers i.e.: - black Cross, black flag, docking of places are to be recorded on lap sheets and signed by the clerk of the course on the day.
21. At the end of the race, competitors should not brake immediately after receiving the finishing flag but should continue round circuit until red flags are shown.

Number of Laps and Points.

1. Drivers must register their intention to attend a SEGTO championship meeting with their club SEGTO representative by 18:00 on the Wednesday before the date of the meeting.
2. 5 attendance points will be awarded for each meeting a driver competes at.
3. Any driver that does not register their intention to attend a SEGTO championship meeting and subsequently attends the meeting will only be awarded 3 attendance points. They will also forfeit the 10 attendance points for the last round.
4. 10 attendance points will be awarded for the last round if the driver has registered for the meeting and has competed at all the previous meeting in the championship for that year.
5. The number of laps for a race is determined by host club, and must be shown at start of each race.
6. Points at SEGTO rounds are 10 down to 1.
7. To qualify for an end of year trophy in the SEGTO championship, a driver must compete at, at least 2 of the 3 rounds at each race venue.
8. Each group maintains its own championship.
9. Any driver who wishes to query any awarded points must contact the Competition Secretary within 48hrs of the points being published.
10. At the last round of the championship, all drivers within 10 points of third place will start at the back of the grid for the final.
11. In under subscribed groups non-qualifiers can go off the back of grid, if placed in the first three they can take the trophy but will not receive the points.
12. Any group with less than 6 drivers signed on at a SEGTO championship round may be amalgamated with another appropriate group, after discussion with the host club and the SEGTO officials.

Lining up at SEGTO rounds.
